Robert Kennedy called and in your absence I talked to him. He wanted to make an appointment to see you sometime after the middle of next week. He wants to talk to you concerning his recent visit to Russia.

Mr. Kennedy stated he was leaving town and would not return until approximately Wednesday of next week but he would be available any time after that that would be convenient to you.

I told Mr. Kennedy that you were presently out but that his request would be brought to your attention.
